NOTES FOR THIS TERM – MICHAELMAS 2025

STUDENT FORMAL HALL AND GUEST NIGHT DINNERS.

From 1st week this term, we will continue a digital check-in system for Students booked in for dinner. Hall staff will have a tablet and a card reader at the entrance to the Dining Hall. Tap your Bod card to check in to dinner and this will flag up you and any guests booked in and whether you need to collect a diet card(s). All those booked in for any Formal Hall or Guest Night Dinners, will need their Bod Card to have access to the Dinner they are attending.

Trinity members are not allowed to book a space with guest spaces and then give them all to non-Trinity guests. Any guests coming in to Dinner, must be accompanied by a Trinity Member. Guests who are not with a Trinity Member will not be allowed into the dinner.

SOCIAL TABLE

This term, for each self-service meal, we will continue to have a designated 'Social Table' in Hall, for anyone who finds themselves coming in on their own, but wishes to sit with someone else to eat. The table will have a sign on it, to make it clear. There will always be someone there who will be happy to be joined. We hope you continue make use of this.
