From 1st week this term, we will continue with the digital check-in system for Students booked in for dinner. Hall staff will have a tablet and a card reader at the entrance to the Dining Hall. Tap your Bod card to check in to dinner and this will flag up you and any guests booked in and whether you need to collect a diet card(s). Trinity students booked in for any Formal Hall or Guest Night Dinner, will need their Bod Card to have access for them and any guests, to the Dinner they are attending.

Trinity members are not allowed to book a space with guest spaces and then give them all to non-Trinity guests. Any guests coming in to Dinner, must be accompanied by a Trinity Member. Guests who are not with a Trinity Member will not be allowed into the dinner. (Spaces can be booked and allocated to another Trinity Member, only by getting in touch with the SCR Steward).

When you first sign up for a meal, please make sure you add any special dietary requirements in the drop-down menu.
