The Chapel lies at the heart of the college. It is a beautiful space built at the end of the 17th century on the site of an earlier Chapel. Our founder and his wives are buried in a tomb in the top left-hand corner of the Chapel. Feel free to spend time in the Chapel as a quiet space. It is a Christian place of worship, yet open for any who feel comfortable to use as a place of prayer and reflection. It is also a place of music making. Please get in touch with me or the organ scholars if you wish to use the Chapel for music practice.
